MBI CHAIR REPORT – JUNE 2017

Tradition 6: *An OA group ought never endorse, finance, or lend the OA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.*

“In OA we learn to focus on our primary purpose and exclude from our groups everything which might interfere with our ability to carry the OA message.” The Twelve Steps and Twelve Traditions of Overeaters Anonymous, p. 159.

The principle of this tradition is solidarity (complete unity of purpose or feeling). “Keep it simple” is a slogan appropriate for this tradition.

As I have studied this tradition to write this report, I have become aware of subtle and not so subtle ways I have not respected this tradition. We all have responsibility to be watchful that our traditions are being respected. It can be uncomfortable to be confronted by a question about an action that may not be in keeping with OA’s traditions. It is possible it is as uncomfortable for the person asking the question as it is for the person whose action is being questioned. A simple truth is that we all make mistakes. I have appreciated, in reading the chapters about the traditions, when it is pointed out that we do all make mistakes and we can learn from our mistakes. The sadder situation would be to continue stubbornly continuing to do it the way we want without considering the question, without looking at our actions, and their effects on others, on our OA group or on OA as a whole.

For MBI, our Region 6 Trustee, Karin, is someone we can contact if we need help knowing if an action is or is not in keeping with the OA Traditions. Her email address is Region6Trustee@gmail.com. I emailed Karin very recently with a question I had about announcing an all addiction BBSS anniversary meeting in my home OA group. She emailed me back the following morning. Her response was brief and to the point. She said that an all addiction BBSS meeting is an outside issue and therefore cannot be announced in an OA meeting. I am grateful to have this clarified and I will take appropriate action when that anniversary comes around again.

In a Lifeline article about Tradition 6 in the May/June 2017 issue (p. 24), the writer ended their article with these words, “Traditions keep our program simple and in the solution. Thank God someone smarter than me put these in place.” I add my AMEN to these words.

At our next MBI meeting on June 17th, we will be voting on the following:

Region 6 Representatives being added for 2018 (3 yr terms): Jean B. and Verna K.;
World Service Delegate being added for 2018 (2 year term): Jean B.

Please consider visiting one of our MBI meetings. Come with a program friend. We would welcome you and you can observe our intergroup meeting in action.

Thank you all for your support of Mass Bay Intergroup!

In grateful service, Mary P. (Quincy)

We also received \$700 for 4 retreat entries this month; we have received 11 entries as of the end of April which is just over 1/3 of the 30 we need to make our minimum. We also received \$13.00 for the MBI 7th tradition collection, \$18 from the step 3 workshop, and \$35 from the Coming Back to OA workshop.

On the expense side, in addition to our regular monthly expenses, we had \$9.75 for website, 52.85 for office supplies, 442.75 for WSBC travel, 53.11 to renew Norton anti-virus for the office computer, 50.00 for webmaster, 25.00 for the MBI meeting and 50.00 for the workshops to the hospital, 250.00 each to Region 6 and WSO for our quarterly donations, and 10.00 to Jean for file folders.

MBI RETREAT COMMITTEE- April 2017

As of 4/30/17 we have 11 people signed up to attend (19 more needed to reach our 30-person minimum) and most of them have volunteered to do service, which is gratefully appreciated.

Do we still need help? Yes, of course we do! Someone (or several people) to get speakers, people to arrange early morning and evening activities, craft activities, anything else you can think of. I can provide some leads from people who have already signed up and some contact info for folks who came last year who might be willing to return. Please contact Jean jean.oama@yahoo.com or mbifallretreat@gmail.com or by phone 617-767-9134 or the MBI office 781-641-2303.

Thank you to Sally who agreed to continue getting the word out. She put together the flyer you see on the MBI website www.oambi.org and may ask folks to help her with spreading the word. The more people who volunteer to help (even if you can't go to the retreat yourself for whatever reason), the easier it is. We are all part of MBI whether we attend the intergroup meetings or not, so supporting this MBI project is a way to do service and support our program of recovery.

The office is running well. Special thanks to Pat, our wonderful office worker, who was able to mail the accountant's package to me in time for the May 20th MBI meeting so the returns could be signed by the appropriate officers and then mailed.

On May 27, 2017 258 newsletters were emailed to our subscribers, but only 255 were deliverable. We had no new subscribers or unsubscribers. The MBI Bylaws were updated on the website (under *About MBI*). The two revised pages of the bylaws (3, 4) were uploaded to the website to allow groups to download just the changed pages. The website was updated with the most recent newsletter, the highlights, the 90 day MBI meeting list and the upcoming events as usual.

PROFESSIONAL OUTREACH & PUBLIC INFORMATION COMMITTEE- June

The Public Information committee has tear off flyers to post on supermarket bulletin boards, community boards and in laundromats. The pamphlet "Is food a problem for you" with the 15 questions and meeting dates and times is available with some holders to be placed at libraries, doctors' or other offices. Call the MBI office for a supply! Also call the MBI office for a free packet of OA information to be mailed to any professional. Help carry the message to professionals who can carry it to their patients, clients, employees and/or faith based community. The Professional Outreach committee welcomes your service to reach the still suffering compulsive overeaters, compulsive eaters of all kinds and food addicts. Feel free to contact me with questions or ideas about Public Information and Professional Outreach. You can reach me through the MBI office.

OA MBI & MASS – NEWS & EVENTS:

"COMING BACK TO OA" Series - Next Workshop: **"A New Beginning"**, Speakers and Discussion Saturday, July 22, 10:30a.m. – Noon, Johnson Room Lawrence Memorial Hospital, Medford, MA

What's Happening at MBI?

Our 5th tradition states: "Each group has but one primary purpose – to carry its message to the compulsive overeater who still suffers." Two years ago, MBI created a group of three workshops that we called *Coming Back to OA: A New Beginning*. The main goal of these gatherings was to reach out to members of our fellowship and to anyone still suffering from the disease of compulsive eating and compulsive food behaviors. The feedback from people who attended has encouraged our intergroup to continue to offer these meetings.

On Saturday, July 22, 2017 we will have the 2nd workshop in the series titled, "I'm abstinent, now what?" There will be a panel of speakers who will share how the *Signs of Relapse, Tools of OA* and how the *12 Steps* support them in ongoing physical, emotional and spiritual recovery. We encourage you to reach out and invite people to come. Everyone is welcome! For questions or information, contact the OA MBI office by email or by phone - info@oambi.org or 1.781.641.2303. Hope you can join us.
