

MBI Chair's Report – May 2012 Report

This month was busy at Mass Bay Intergroup (MBI), I welcomed 2 visitors and gave them their orientation to MBI then they sat in on the 12 step Committee. I encouraged them to find out if their groups have an intergroup representative and if not I suggested they volunteer and return next month as full voting delegates.

This month we also had nominations for Region 6 Representatives and World Service Delegates. Mass Bay Intergroup can have 6 Region Representatives and 4 World Service Delegates.

This year we need 6 new Region 6 Representatives because the 2 current Representatives Pat C. from Westford and Beany K. from Woburn's terms have expired and they are not eligible for re-election. The nominees for Region 6 Representatives are: Kelly - Arlington, Helen – Woburn, Cathy - Lowell, Ron – Medford, Lisa – Andover, Sally – Boston. Nominees for Alternates Representatives to Region 6 are Beany – Woburn, Bobbie – Waltham, Brandon – Woburn.

There is the need of 2 new World Service Delegates: Pat C. & Beany K are delegates through the 2013 World Service Business Conference. The nominees for the 2 opened World Service Delegate seats for a term of 2 years are: Cathy – Lowell, Kelly – Waltham, Alice – Somerville.

All nominees for these service positions have to be present at the next MBI meeting; 7/15/12, to be elected.

Also we had a good discussion about up grading the Intergroup website and making it more user friendly and increasing the website functionality. Kelly from Waltham had done

some research into costs to re-do the website and the least expensive bid had been about \$2300, our webmaster Brandon is going to touch base with some people he knows to see if he can get better pricing; as well as servicing, after the changes are made and will report back at the next intergroup meeting.

It has been brought to my attention that several members of groups affiliated with Mass Bay Intergroup have stated that they would love to attend Intergroup Meetings as a delegate for their groups if only Mass Bay Intergroup would meet on a different day than Sunday. Some feel that this issue has never really been addressed by MBI but I've attended Intergroup 17 out of the 21 years that I have been abstinent and I know there have been at least 4 times this issue has come up for votes and each time the vote decided to keep Intergroup meeting on Sundays.

Mass Bay Intergroup would love to have feedback from all member groups regarding this matter. That is why we will be posting a survey on the Mass Bay Intergroup website to determine what day, time and location would work best for the majority of groups to be able to attend the Intergroup meetings. Our goal is to have the survey posted by the next MBI meeting July 15th, once webmaster Brandon from Woburn has informed us that the survey is up and running we will get the word out so all the groups can proceed with their vote.

The Summer months are upon us, it's the most difficult time of the year for me in my recovery. All my addictions especially the Summer foods are in my face. It's at times like this when I attend the family summer birthdays, Amusement Parks, attendance at sports or beaches with their wonderful boardwalk restaurants that I'm reminded

that even in such situations I can do service. I know the very basic service I'm doing is staying abstinent, I can also make phone calls, I never know who I might help by doing so, also if I need to, before picking up non-abstinent foods I will attend extra meetings, offer to take someone to a meeting, pick up a recovery book or write about what's really going on that would make me want to escape into the food. Making use of all my tools is always better than suicide by food. I hope you all have a wonderful abstinent summer in recovery.

Humbly and respectfully submitted,

MBI Chair's Report – June 2012

I've had a rather busy and full life the last 3 months. It seems like yesterday I was making plans for Region 6 and then my trip to World Service, where I got elected as the Chair of the Public Information Committee, I've always said when attending World Service it's one of the quickest weeks of my life; especially once the business sessions start. It's also one of my most rewarding weeks as well; I get to interact with a variety of delegates with a variety of languages and backgrounds for the sole purpose of carrying the message to those who suffer and to provide better tools for them to find their road to recovery.

We had several people contact the Mass Bay Intergroup office concerned that they didn't receive their newsletters for May. There actually wasn't a newsletter in May because there weren't very many delegates who attended the May meeting and many of the Committee Chairs and Board Members, myself include were not in attendance because of personal commitments. So we are combining any reports that were made in the May Intergroup Meeting with the June reports. We're sorry for the inconvenience but sometimes life happens and we have to do what we can to the best of our abilities.

At the June Intergroup Meeting, we had updates on the progress of redesigning the Mass Bay Intergroup(MBI)website, our webmaster Brandon from Woburn will check into some possible options he thinks might be

less expensive than what we thought we might have to pay and will report back at the July meeting.

Our webmaster Brandon will be creating a survey on the current MBI website so we can capture the opinions of our affiliated groups regarding which day, time and location would be most suitable for them to attend the intergroup meetings. We hope to have this survey up and running by the next intergroup meeting and if we're successful it will be announced in the newsletter and at those groups represented at the next MBI meeting.

This month (June), we had 2 visitors who went through orientation and sat in on the 12 Step committee, both visitors expressed interest in becoming representatives to MBI. We also had nomination of representatives to Region 6 and Delegates to World Service and the elections will be held during the July MBI meeting. Only those nominees who attend the July meeting will be eligible to be elected to one of these positions.

For me the summer months can be the toughest months because food is everywhere I go. All the more reason I try to shore up my recovery with extra service, meetings and phone calls. For me picking up a tool brings much better results than picking up food that's not mine.

Yours in humble service,
 Beany – Woburn

TREASURER'S REPORT – May/June 2012

No outstanding expenses in the last two months. World Service costs were budgeted and came in as expected (approx. \$4K).

Donations for now are steady. A reminder to all groups that this during the summertime donations are spotty so please, if you are a treasurer or a group member, remember to send in your donations over the summer or before you go away on vacation.

Thank you for your generosity. Your money is always used to carry the message of recovery to those who still suffer.
